

Like an insurance policy, **Retain-It™** makes sure retainers, sports mouth guards, and other dental appliances stay safe, secure and in easy reach!

## Just Slip it! Zip it! and Clip it!

### How Retain-It™ works

- **Slip** the dental appliance out of your mouth and place it safely inside the **Retain-It™**
  - **Zip** the dental appliance securely inside
  - **Clip** the **Retain-It™** on to whatever you like!
- 
- **Retain-It™** offers performance and flexibility
  - Secure, lightweight storage case clips to any backpack, sports bag, purse, etc.
  - Safely store and protect retainers, sports mouth guards, clear aligners, whitening trays and other dental appliances
  - Perfect for school, sports, travel or at home!
  - Machine washable (cold water / air dry)
  - Plastic clam-shell included (can support nearly all other plastic cases)
  - Available in multiple colors and designs

## Testimonials

**What our customers say:**

*My son lost three retainers in a year because he threw them away, wrapped in a napkin at lunch. Using Retain-It changed all that. It's so easy to slip his retainer in and he always knows where it is.*

– Theresa G. Boise, ID

*Every time I go to karate my mom has to remind me about my mouth guard because I forget it. With Retain-It™ I clip my mouth guard on my gym bag and can see it before I get into the car.*

– Alex B. Escondido, CA

*Wow! The case looks and works amazing! Would recommend it to any athlete that always has trouble finding their mouth-guard case at the bottom of their bag. Now with Retain-It, I can focus on my game ahead of me!*

– Mathiew C. Calgary, Alberta
